

How to find us during construction

Due to construction, the state is closing the I-39 Business 51 interchange (Exit 161) in Stevens Point between early June and Labor Day weekend. Here's how to find us this summer.

From I-39

The state is directing northbound motorists to take Exit 158B, which is labeled as Highway 66 West/Stevens Point. From there, turn right and follow the signs to SentryWorld and Muse at Sentry. For southbound motorists—and serving as a secondary northbound exit—use Exit 159, which is labeled as Highway 66 East/Stevens Point. Again, follow the signs.

From in town

You can find us by taking Michigan Avenue, Stanley Street, or Green Avenue to North Point Drive.

We hope to see you soon!
